Dear Mr. Klein:

I just want to let you know that I have a National Security Council commitment on 13 November which precludes me from joining you on the occasion of the tenth anniversary of the Lane Bryant Annual Awards.

It is sincerely regretted that I will not be able to be present on this particular occasion and your courtesy in asking me to attend is indeed appreciated.

Many thanks and best wishes to you and Mr. Naisin for a most successful program.

Sincerely,

Allen W. Dulles

Dear Dr. Keeney:

Thank you very much for your letter of 17 October inviting me to speak to the students of your junior class sometime before Christmas.

Much as I would like to be present, I sincerely regret that I will be unable to accept your very kind invitation. In view of my duties, it has been necessary for me to restrict my speaking engagements to the various Government Service Schools with an infrequent outside address. Unfortunately, I cannot make an additional commitment at this time.

Your courtesy in asking me to speak to the students is indeed appreciated.

Once again, many thanks and kindest regards.

Sincerely,

Allen W. Dulles
Director

THE PRESIDENT OF BROWN UNIVERSITY

October 17, 1958

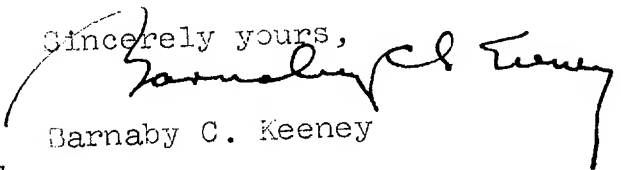

Dear Mr. Dulles:

The students in our junior class are sponsoring a lecture open to students, faculty and townspeople. They would very much like to have you speak on a subject of your own choosing. They would prefer that it be before Christmas, but knowing that you must make your commitments far ahead, they would be quite happy to have it early next year. They are not in a position to offer an honorarium, but they can comfortably pay your expenses.

It would give me a great deal of personal pleasure if you could accept this invitation; that is why I have agreed to extend it for the students. I remember with real pleasure our few meetings when I was with you, and with great gratitude a chance remark you made about me in Providence when you spoke at the YMCA.

The students would appreciate as early an answer as is convenient to you. I hope that it will be yes.

Sincerely yours,

Barnaby C. Keeney

Stan Grogan recommends that you not accept this invitation of the Junior Class of Brown University since addressing a student group of this category does not merit you time and attention.
